To this Honorable Court

PETER OPPENEER
CLERK US DIST COURT
WD OF WI

I to the Best of my Faith Pray that if any God is in or working at the Time of All Of my Missed Prayers That My Motion Gets Granted I Need to Get out of the housing units and Prison life Before I Become like my two cellies Both up in Age and totally full of Hate one is 54 and any Person outside the cell talking just loud enough to twist his "1000% on Edge", Fake PTSD/Extreme Bi Polar Mood swings & 5 year old Doesn't Act as Bad As he Does he throughs his stuff yells and screams Racial slurs to Blacks, Mexican/Latinos, Natives & even white people he's a Thief and a Self entitled Person I celled with him in the Past and know first hand of his stealing he took from me But like what the Bible says forgive us our trespasses as we forgive those who trespass against us and lead us not into temptation, to me means Point I finger at him ~~you~~ have 3 Pointings Back at you so I can not Be mad or wage war to him for his actions I can hold a grudge or let it go and Move on in life, Life is to short here today, gone tomorrow type of thing so I forgave him it's like the other teaching By Jesus "he who is without sin may cast the first Stone", I can not be mad at him without casting anger at myself for the trust I put in him. So my old ways would have been to Beat him up for doing what he did but unlike Him I can control myself now where My Past I didn't know self control I was really into my faith here But the lack down and the tests of the staff and other inmates has been hard to keep from out Bursts like my shot Record at me because Before I was sentenced I cused staff up and down without a care Now I just let them get there way and I Don't file or anything it's Pointless

My 54 y/o cellie gets the cell tossed a lot Do to his Anger out Bursts then he Files but leaves out the case that would help him in his crying about how stark Rip the cell up and leave it in a mess the USSC in 92 Ruled Now stark can be held for there Retalitory Harassment But his actions make my Locker get a Hurricane of C.O. Anger Running threw my stuff I've lost Property Due to his Anger And he has No words to say After other then more Angry out Bursts I'm the only Person Giving anytype of Kindness to him I've helped him when hes had No money with Soap and other Hygen yet No Thank you from Him Nothing Not even a Pay Back when He Gets but hurt over No store now 1 time this month and if you had money last month you'd Shop 1 time last month we get a hotel Bar of Soap once in a Blue Moon as to a Real Bar of Soap that lasts longer then a 1 Shower use of soap. 3 Full size men that live in a 12 Ft 10 In Long By 7 Ft 1 In wide, 9 Ft 9 in tall Cell 3 Locker & chairs 1 table and a toilet/sink. The AsPCA wouldn't let 3 Golden Retrievers Live in this space so why Should 3 men the size of Gate dares Be Subject to this type of treatment? This Prison Pays a yearly fine to keep the 3 man cells even After Obama made it Unconstatutonal we've tried to Sue & get Nowhere this cramped space is what makes an Air Born Virus like Covid Run a Rampage threw people, Our stuff Don't Do Anything for us No Legal Copies I was told I'd get some today And He left without talking my Legal work to copy we only get out if lucky to Shower for 15 minutes No Phone calls No Law computer no anything Please Be a Godsend and Grant this and let

One Person out to help make a small change
 our Prison Has No CLR as of August 2018 we
 lost our only way to New Case law the Prison
 Blocked Paralegal Services that help us with
 New Case law we've had No Access to the Courts
 No typewriters No Law updates or Print offs
 Nothing at all No Help No one out There to Give
 us any type of Help Due to Covid 19 I have no
 money to help me get an apt if I was to Release
 due to ~~set~~ a lock down in April 1 2020 I was
 set to go to work again in November 2020 But
 Lock down Round Two Covid 19 Rampage 400+ Now
 But I know my luck is always 50% Good 48% Bad 2%
 unknown as of what my next Day holds my Breathing
 is getting Bad But Covid + Asthma + Lack of Real medical
 help = BOP Bringing 1st Degree intentional Go back to
 you unit and Drink Water excuses as to medical
 that when an inmate dies is labeled as Refused medical
 Homicide. We sleep on over stretched Maxie Pads
 if King Kong were real OR the attack of the 50 ft woman
 movie where real the Matress we sleep on would be
 able to be a monthly cycle absorber to a female's
 menstrual cycle we end up with Body pains
 like ~~stiff~~ Back Problems sciatica nerve Pain or
 worse Body Pains and when you tell staff its a
 jump to state you have covid even after a test proves
 you don't have it Medical here need to work out
 there Cranial rectal insertous problems but
 one with there Head up there Back side shouldn't be
 the reasonable standards of why a Human being shouldn't
 be Given Good medical But it is just that. The Case in
 Point of my Rent is as of This is if my motion
 were Granted I could pay a fine or even Better

I could pay taxes to help put the economy up more but like it is tax payer pay to house me for long terms and pay my medical needs if I'm out I can do all that myself and pay a fine if needed once I can either start my own business or get a good enough job granted being a felon makes it more unlikely to get a job plus being a sex offender is another reason a company won't hire a person so I guess I'd have to start my own company.

Respectfully Submitted
